The diagram consists of three architectural cross-sections labeled X1-X2, Y1-Y2, and Z1-Z2.

- Detail X1-X2:** This section shows a vertical column with a cross-hatched core. It features horizontal lines at 1000, 1500, and 1000 units from the base. A circular callout labeled X2 points to a larger view of the top section, which includes a horizontal line at TOP + 13.20 and a vertical line at LV + 10.63. Labels include R.C. BEAM, STEEL COLUMN, AS / PLAN, RF1, and D.
- Detail Y1-Y2:** This section shows a vertical column with a cross-hatched core. It features horizontal lines at 1000, 1500, and 1000 units from the base. A circular callout labeled Y1 points to a larger view of the top section, which includes a horizontal line at TOP + 13.20 and a vertical line at LV + 10.63. Labels include R.C. BEAM, STEEL COLUMN, AS / PLAN, RF1, and D.
- Detail Z1-Z2:** This section shows a vertical column with a cross-hatched core. It features horizontal lines at 1000, 1500, and 1000 units from the base. A circular callout labeled Z1 points to a larger view of the top section, which includes a horizontal line at TOP + 13.20 and a vertical line at LV + 10.63. Labels include R.C. BEAM, STEEL COLUMN, AS / PLAN, RF1, and D.

This architectural floor plan shows a room with a central opening. The room has a height of 63.60. The central opening has a height of 5.12 and a width of 31.80. The room's width is 32.21. A detail callout labeled 'DETAIL Y' indicates a height of TOP + 8.70. Another detail callout labeled 'DETAIL X' indicates a height of L + 10.63. There are also two small circles with the number '6' inside.
